

3:40 Meeting Called to Order

3:41 WJCL board meeting recap

- Capitol East is our fellowship room
- Parliamentary things
 - We get 3 votes in elections
 - We get 1 vote for amendments
 - We lied in the past about how many votes we got
 - Amendments
 - People in unopposed elections cannot run in vacancy elections
 - This prevents an endless loop of elections
 - There's also a confusing amendment about rewording 'election cycle' so that if people run at convention they can run again in vacancy elections later on
 - There's also a clarification of the board member/school rule to prevent a majority on the board
 - There proposed amendments can be seen on facebook in the WJCL members group
