

3:41 Meeting called to order

3:41 Secret Saturnalia party

- This is a traditional celebration of the solstice
- You do not have to participate in the secret Santa aspect to attend the party
- Also could be used as a spirit build day
  - No time in December
- Do it in January

3:43 there WILL be a meeting next week

- Finn better be there

3:44 T-shirt discussion

- T-shirt design is sick
  - They're hugging on the back but it's not awkward
  - Design debate about Roman numerals, text, and colors/general aesthetics
    - Had to add Madison West Public High School for the Arts, (Comma) for the Win
      - It's a very unnecessarily extra phrase
      - #we'rebroke
      - We make fun of the private schools
    - Teal is a very solid color
    - Contact Tech-co Matthew to see the picture
    - Design is not set in stone
      - Voted on in the chat

3:58 Spirit

- Dr. Seuss- Sneetches
  - Cardboard stars
    - In the book, they are green which won't go super well with our shirts but it's ok
  - Frances does not understand color theory
  - Inverted Sneetches (green bodies and yellow stars)?
    - Only true artists will get this
- Out of this world
  - We talk about the Apollo Missions idea for the whole meeting to see if the idea would be viable before actually deciding to do it

4:06 We've been evicted

4:06 (Continuing in the hall) Apollo mission logistics

- Board member painter suits for astronauts
- Cardboard spaceships
- Pipe cleaner or gaming headsets

4:11 Apollo Missions win the vote

4:11 The whole club is jammin out

4:13 There is a motion to adjourn the meeting

- Everyone says “ayyy”
- Lauren gets overexcited

4:13 Meeting adjourned
