

3:37 Lauren brought amazing bagels forever

3:39 Frances calls meeting to order

3:39 Board meeting this Sunday April 10 at 11:00

- Frances has full car
- If anyone else wants to go they will have to coordinate other rides

3:40 amendments

- We do not actually have 2 representatives from every class so we can not pass any amendments
 - Passing amendments is currently too difficult
 - Possible amendment to change this to 1 representative per class so that we can pass amendments more easily
 - Even with good attendance two representatives is unlikely
- Impeachment
 - Only sponsors or officers can call for impeachment currently
 - Change current rule so that any club member with board approval
- Secretary's duties
 - Secretary is unofficially making agenda
 - We can pass an amendment once we have class representatives
- Voting is currently done by class
 - Amendment to change this to only people who show up to club and election meetings
 - This would prevent people who do not care about Latin club voting for their friends

3:43 Sweatshirts

- We are going to do crewnecks
 - Submit swaggin designs to Emma
 - We will vote on the design next week

3:44 Water Bottles/Stickers

- Water bottles
 - If we get them from custom ink they are expensive (like \$7.50)
 - Lots of work for small profit
 - People already have their own personalized water bottles
- Stickers would be cheaper alternatives
 - Sayings like "I got this water when I crossed the Rubicon"
 - Different types of fun Latin stuff
 - Broader market because stickers can be put on cars, laptops, water bottles, etc.
 - If we don't make it specific to West Latin everyone who likes Latin things will be interested

- We could sell them at the bazaar next year like BA's buttons
- Email cool sticker designs to Emma

3:50 T-shirt sponsors

- Businesses like Noodles or even Barriques have too many locations to sponsor us
 - We want people like Pizza Brutta and especially owners with interest in classics because they will be more willing to support us

3:53 Nerdtamen

- We need to add nerdy things with some relation to the classics
 - Need 30 total tossup questions for two rounds like preliminaries

3:54 Website and officer pics

- Update contact page and about page
- Henry still needs a pic
 - Lauren successfully got Henry to start using facebook

3:58 National Classics Week (it's next week)

- Ideally we would raise awareness about classics in our community
 - In school or just our Latin classes
- Probably Latin classes will do something related to the Odyssey

4:01 Google Hangouts with Mags

- All hours are covered
 - We will do it once a week on Wednesday because Wednesday workday

4:03 May 21 potluck celebrating the return of Mags

- Hopefully Mags will be back by then

4:04 Meeting is adjourned
