 - instead decided on a nice regular blue color

4:00: Leave Latin room, officers hold a meeting afterwards

SUMMARY OF OFFICER MEETING:

- Due to constraints on time and money we have decided that officer armor will NOT be a Latin club project
 - if, however, you want to build armor for your own personal interests you are welcome to, but Latin club will not be funding the project
- We will be enforcing a new system of hand raising and respectfulness in Latin club due to the recent chaos
 - calling on people will be up to Glorious Leader Fiona or whoever has the floor at the moment
 - people who speak out of turn will get death stares from the rest of the room
- Glorious Leader Fiona will be creating a powerpoint agenda for each club meeting (if the Epimethean board is working)
 - if you wish to present something to the club, contact Glorious Leader Fiona and she will put it in to that week's presentation
